Platte Valley Bank Starts New Educational Program

Eat & Educate is a new & free program, open to the public, that offers educational seminars once a month at one of our branches. These seminars will range from how-to's to internet security. The first seminar is on "Is Mobile Banking Right for You?" This seminar will inform you how mobile banking generally works. There are numerous types of mobile devices that work differently with banking products. We want to help you gain knowledge on what product is best for you and your financial life. Maybe you want to try mobile banking, but you're not 100% sold on how it works. Or maybe you use it, but didn't know you could pay your bills with it. This seminar will show you how the product can work for you. You can expect one-on-one training if needed after the seminar.

The first event, "Is Mobile Banking Right for You?" will be held Wednesday, Feb. 1st from 12:00-1:00 p.m. at the Platte City location.

(Platte Valley Bank, 2400 Prairie View Road, Platte City, MO)

To RSVP for the event, call 816-746-7632 or email us at promo@plattevalleybank.com to reserve your seat. Again, this is a free event. Expect to leave knowing if mobile banking is right for you.

Must RSVP by Jan. 30, for Feb. 1 event.

If you cannot attend this seminar, we will have a repeat seminar on Wed., Feb. 15 at our Smithville South Location.
