

Quicken® for Mac 2005-2007

Web Connect Conversion Instructions

As Platte Valley Bank completes its system conversion, you will need to modify your Quicken settings to ensure the smooth transition of your data. You will need to be able to log into www.plattevalleybank.com with your Access ID and Password.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your online service may stop functioning properly. This conversion should take 15-20 minutes.

These steps can be completed on October 10, or later.

Back Up Your Current Data

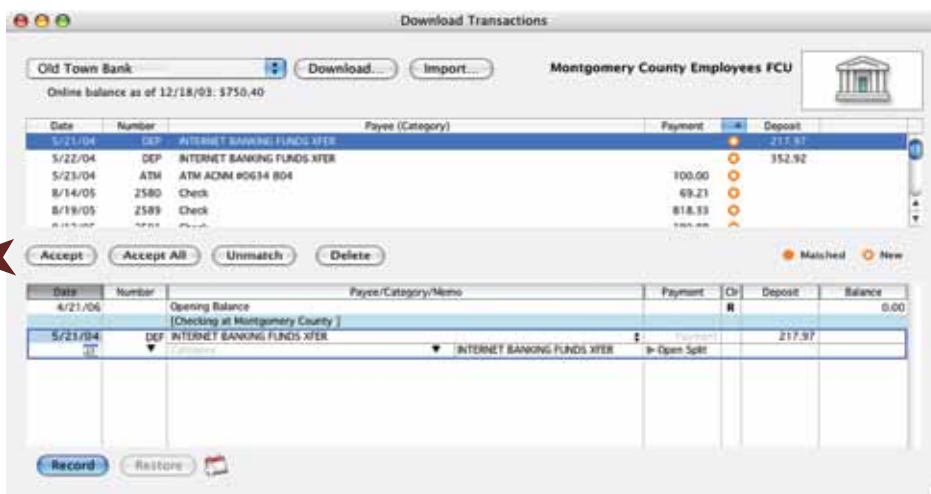

1. (2006 and 2007) Choose File menu → Back Up → To Disk
(2005) Choose File menu → Save a Copy
2. Complete the following prompts

Download the Latest Quicken Update

1. (2007) Choose Quicken 2007 menu → Check for Updates.
(2006) Choose Quicken 2006 menu → Check for Updates.
(2005) Choose Quicken 2005 menu → Check for Updates.
2. If a software update is available, then you will be prompted to download the update from the Quicken Web site.
3. Once the update is complete close and reopen Quicken.

Get your Latest Transactions

1. Log into www.plattevalleybank.com. Download your transactions into Quicken.
2. Once the transactions are downloaded, Accept all the transactions into your Quicken account register.
3. Repeat steps 1 and 2 for each account that you use for online banking.

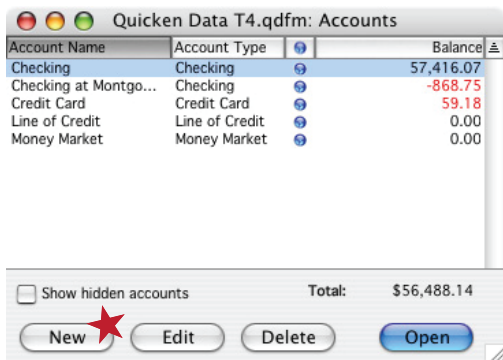

NEED HELP?

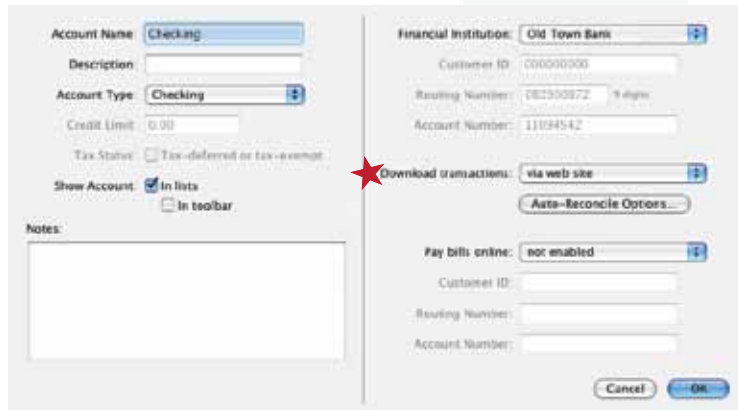

For help reconciling your account register, choose Help menu → Quicken 2007 Help (or Quicken 2006 Help or Quicken 2005 Help depending upon version). In the “Ask a Question” prompt enter → Reconciling an account.

Deactivate your Account

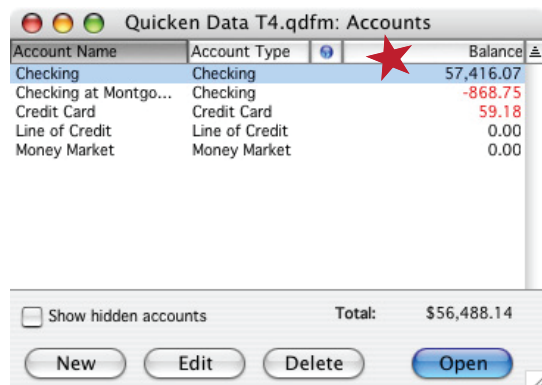

1. Choose Lists menu → Accounts.
2. Select the account you want to disable → click Edit.

3. In the Download transactions: drop-down list, select not enabled → click OK to the prompt “You are about to disable...”

4. Click OK to save your edits.
5. Repeat steps 2 through 4 for each online account. As each online account is disabled, its blue online circle icon will disappear. Verify that your account list does not display blue online circle icons for any accounts that you have disabled.

Activate your Account for Web Connect

1. Log into www.plattevalleybank.com. Download your transactions into Quicken.
2. Be sure to click the “Use an existing Quicken account” radio button. In the corresponding drop-down list, select the Quicken account that you wish to use.

Select Account to Enable

You are downloading transactions for the following account:

Financial Institution: 1st National Bank & Trust
Account Type: Checking
Account Number: 11094542

Quicken does not have an associated account to handle these transactions. Select an existing account or enter a new account name, and click OK.

Use an existing account:

Create a new account:

Cancel OK

3. Repeat steps 1 and 2 for each online account.

NEED HELP?

To avoid the possibility of creating duplicate records when downloading into Quicken, select a “from” date that does not include records previously downloaded.

Congratulations, you have completed the necessary changes!
